CITADEL STAFF

Editor-in-chief	Robert Hanyak
Editorial Staff	Pat Buteux, Joyce Canham
Art Staff	Marilyn Struck, Dianna Poulos, Rodger Page
Photography coordinator	Ralph Kocik
Photographer	David Beagel
Advertising Staff	Joe Hogan, Manager; Bernard DePersis; Fran Maney; George Noyes; John Heath; Ralph Kocik
Typing Staff	Carol Evans, Carolyn Monkovic, Marilyn Jachimowicz, Miriam Kocik, Lauri Weston
Advisers	Mr. Hartman, Miss Tyler, Mr. Cann

Last year, in a tenth anniversary issue, the Citadel staff paid tribute to the pioneering students and faculty of Broome Tech. This year we look ahead to the next decade and dedicate the 1959 yearbook to the students who will succeed us and to the bright promise which is theirs. During these years the Class of 1959, as loyal alumni, will watch with pride the growth of the College.

What can we foresee in the next ten years? Certainly, a tremendous increase in the number of students. Necessarily, new curriculums such as graphic arts and nursing education to meet the needs of the greater number of students and of the community. Obviously, a growing campus with a General Education-Mathematics-Physics Building, a Business Education Building, dormitories, and expanded athletic facilities. Symbolic of the anticipated growth and maturity of the College are the young saplings, which now, standing with the aid of supports, will then be strong, thriving, heavily foliated trees.

As prospective alumni, we pledge ourselves to join with the students, faculty and the community to make this dream come true.

SENIOR CLASS

OFFICERS '59

SEATED: Marlene Swimelar, *Secretary*; Daniel Meddleton, *Treasurer*. *STANDING:* Kevin McCane, *Vice-President*; John DeJohn, *President*.

The Business Seniors in the persons of Peggy Skojec and Ralph Kocik, bestow their well set examples of tact and ability.

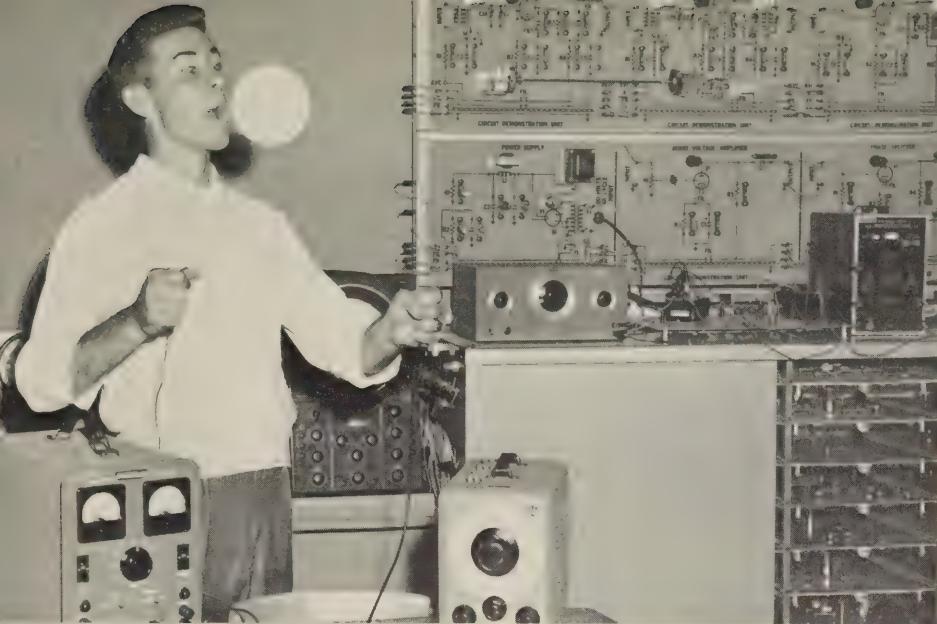

Rose Casamento, Miss Denning, and Barbara Jones illustrate that gentle touch with the tiny needle which is conferred by the Medical Office Assistants.

C L A S S

The Mechanical Seniors have truly taught the freshmen, represented by Larry Hubler and Stephen Korchynsky, their skill in applying a hot foot by means of an oxygen acetylene welding torch.

Tino Quagliata, Larry Wood, and Bernie Gerrer in behalf of the Construction Seniors will their talent for eyeing up the scenery.

The Electrical Seniors through Duane Merritt leave their ability in testing electrical circuits.

W
I
L
L

Carol Murray and Marilyn Prell representing the Dental Hygiene Seniors pass on their gentle art of cleaning teeth.

The Chemical Seniors in the persons of Edlah Stone and Thomas Wdowiak bequeath their skill in mixing the wrong ingredients.

The Kangaroo Court sits in solemn and/or amused session.

The Mechanical Seniors get in a little shop talk.

SEASON'S HIGHLIGHTS

The prospects for a highly successful 1958-59 basketball season were excellent when viewing the returning talent from last year's Region XV championship squad and with an influx of highly-talented freshmen. Leading the group of returning lettermen were Bill Coughlin, Kevin McCane, Ron Avery and Bill Klish. Practice sessions were begun at an earlier date than ever before in an effort to get the new players and returning lettermen functioning as a smooth unit at the earliest date possible.

The season began with a nip-and-tuck victory over a tough Alumni aggregation with the final score being 49-45. Kevin McCane paced all scorers with 16 points. Following the alumni game came the task of preparing for Alfred Tech, last year's co-champion with the Hornets in the Empire State Basketball Conference. Alfred Tech came to town sporting an all-star array from western New York State and the Hornets stung them into submission for the first time that season by the score of 61-54. Big Bob Garbade was the kingpin of the victory with 16 points which were scored in approximately 16 minutes of action.

The Black and Gold warriors extended the winning streak to three with an easy victory over Orange County Community College by the score of 74-63, with Mike Moran being the big gun with 22 markers. The Hornets first defeat came at the hands of a strong Cornell University Freshman aggregation by the score of 58-52. At one point in the first half, Broome Tech was leading by a score of 18-8, but Cornell's superior size eventually took its toll. Kevin McCane had an excellent shooting night, scoring 22 of the Hornet's 52 points.

An early season highlight was the Broome Tech Holiday Festival doubleheaders. This was the first in what is hoped to be a long series of Holiday Festivals to be held in the Upper Front Street gym. To inaugurate the series, three topflight teams were invited. In the first round of doubleheaders Erie Tech of Buffalo played the high-scoring Joliet (Illinois) Junior College team and Broome Tech took on the fine Westchester Community College squad. In these games Erie Tech was nosed out by the slight margin of three points and Broome Tech just eked out a 67-66 win which saw Westchester getting the last shot and the ball bounding on the rim as the buzzer sounded.

In the second round of doubleheaders Erie Tech easily defeated Westchester and Joliet continued their winning eastern tour by nipping Broome 75-66. On the whole, the Holiday Festival was considered a great success.

Following the loss to Joliet, the Hornets regained their winning ways with two successive victories over Keystone Junior College and Auburn Community College by scores of 79-62 and 74-60, respectively. In playing the third game in a row on the road, the Hornets traveled to Olean to take on the undefeated St. Bonaventure University Freshman team. Although outsized and outmanned, the Techmen put up a tremendous battle before meeting defeat by the score of 71-54.

Following the loss to St. Bonas came a four-game winning streak with victories over Keystone Junior College (73-51), Erie Tech (61-55), Mohawk Valley Tech (89-54) and New York City Tech (58-46). In these games Dick Kenney began rounding into form and steadily increased his average until it reached the double figure point. The return game with Alfred Tech proved disastrous as the Hornets could never become untracked and went down to defeat, 68-55. Following the Alfred Tech loss came another four-game winning streak which saw the Hornets sweep past Hudson Valley Tech, Auburn Community College, Baptist Bible Seminary, and Mohawk Valley Tech and placed them into contention for Conference honors. It was with high aspirations that the boys took to the road for games with Canton Tech and Paul Smith's College only to have these aspirations smashed by scores of 68-58 and 78-69. These defeats at the hands of Canton and Paul Smith's pushed the Hornets into fifth place in Empire State Conference competition. As if the double defeat on the road was not bad enough, Kevin McCane was placed on social probation at this time which meant that he was ineligible for all remaining games. At that point McCane had been leading the team in scoring with an average of over 12 points per contest.

Despite McCane's loss, Dick Baldwin's boys managed an easy victory over Cobleskill and once again took to the road to do battle with the villains of Erie Tech. In what was probably the most thrilling game of the year, the Hornets battled the Kats from the beginning to the final buzzer. With thirty seconds remaining in regulation play, the score had the Hornets on top by three points. However, at this point a series of mishaps prevented the Hornets from maintaining their position of advantage and when the final buzzer sounded saw the Kats on top by the score of 61-57. This victory assured Erie Tech a tie for the Conference title and cemented Broome Tech to a lower standing.

Once again in 1959 Broome Tech was the host team for the Region XV Junior College Basketball championships. Along with Broome Tech, other teams in the Tournament were: Montgomery Junior College of Maryland; Paul Smith's College; Canton Tech; New York City Tech; Erie Tech; Alfred Tech; and Delhi Tech. Rising to the occasion, Broome Tech avenged their loss of a week previous and defeated Erie Tech in the first round, 69-62. This placed them in the semifinals along with Paul Smith's, Alfred and Delhi. In semifinal competition, however, the Hornets could not match the superior rebounding of Alfred and were eliminated from the Tournament by the score of 64-58. Alfred Tech continued their strong play and on the following night wore down Paul Smith's determined five and won the trip to the National championships by a 64-59 score. Broome Tech, with a consolation victory over Delhi, finished in third position.

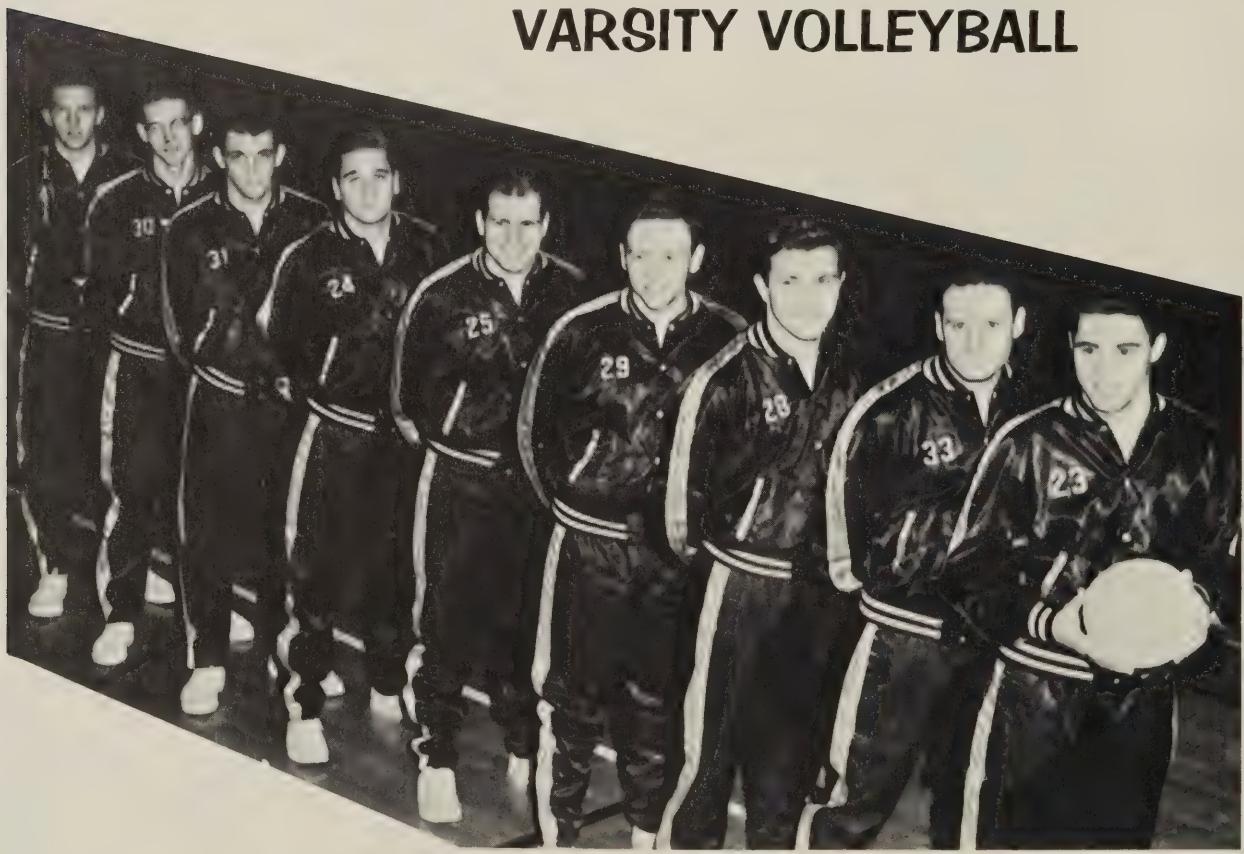

The season was concluded on a very high note as the Hornet Five avenged the early season loss to Cornell Freshmen by a 75-63 score. At one point in the first half the Hornets lead by as much as 18 points. This was a wonderful team effort on the part of the Techmen and the game saw Bob Garbade throw in over 20 points for the first time in the season. Making their final appearance for Broome Tech in that game were Bill Coughlin, Bill Klish, Mike Moran and Ron Avery. With the season ending on this cheerful note, all parties concerned are eagerly awaiting the arrival of next season. With an overall record of 18 wins and 8 losses, Coach Dick Baldwin wrote another successful chapter in Broome Tech basketball history.

TECH TALK

Vol X No 4

Broome Technical Community College, Binghamton, N. Y.

January, 1959

Seven vie for Queen's Crown

Valentine's Day, February 14, 1959. Is the day: 9:00 to 12:00. The time; and the ever year's candidates for queen: Croft, Judy Noyes, A. Struck.

Queen and white heart backed up by silver paper with "Queen of Hearts" printed on it. The music will be provided by the Terrell-Masters. Refreshments will be served in the Student Lounge.

Let's all show our school spirit and make this dance a really big success.

Additions Made to Tech Curriculum and Staff

The past term can be called the Expansion Era in the sense of broadening the range of courses offered at Broome Tech. This term there are new courses for the Business, Chemical, and Medical Office freshmen.

The O.A. and Chem freshmen are taking Contemporary Literature, a course in which the works of various American authors such as Melville and Hemingway are covered.

The Chemical girls also take a course in music appreciation, Music in the Modern Culture. This music course covers the more important composers, and their works with emphasis on the modern composers.

The literature and music courses are offered by the General Education Department.

The M.O.'s, senior and freshmen, are taking Physical Education under the direction of Mr. Schmidt. The Athletic Department will set up a class for any section which has the approval of the department heads. The M.O. groups are receiving instruction and practice in badminton and volleyball, with a possibility of golf in the warmer weather.

Next term some curriculums will offer a choice of three electives: Music in the Modern Culture, Contemporary Literature, and Logic & Theory.

Along with the growing of these new programs, a new position has also been added, Coordinator of Visual Aids. This position is held by Mrs. Gregg, a commercial artist who has worked at Ozalid, Link Aviation, and IBM. At present, Mrs. Gregg's office

Mrs. Gregg is on the second floor of the library.

New Books in Library

The following new books of general interest have been added to the shelves of the Broome Tech Library: Rathbone—Teach Yourself to Relax, Flesch—How You Can Be a Better Student, Rudd—Bending the Twig, McClelland—Talent and Society, Myer—Accounting for Non-accountants, Tillson—A Manual of Parliamentary Procedure, Janson—The Picture History of Painting, Egner—Letters for Special Occasions, Frazer—The Golden Bough.

shoes. Snowshoes will be furnished by Canton.

SEATED: Carol Kopyar, Pat Ulrich, Nancy Rogers, Sylvia Eisele, Marilyn Dunn, Lucile Danoski, Barbara Warren, Gail Fletcher, Kathy Rozmerski. **STANDING:** Bill Rozon, Jack Stankevitz (Editor), David Tinklepaugh, Fran Ash.

Saturday, February 14, 1959, at the Canton campus. Relay races will begin about 1:00 p.m. A semi-formal Carnival Ball will be held Saturday night from 9:00 to 12:00.

Dan Middleton of the business department is chairman and anyone interested should contact him immediately so that final preparation can be made.

Classes Held For Teachers

On January 26, a campus workshop for improvement of teaching was held here on campus for Broome Tech teachers.

In March a regional conference will be held at Delhi, where four or five community colleges will work together. In June, an annual conference on a statewide level will be held here at Broome Tech.

This year's topic is improvement of teaching. At this campus workshop, speeches were given by President Tyrrell and Dean McVean. Mr. J. Bruce Buckle made the keynote speech and Professor L. C. Petty of Cornell University spoke on the "Art of Questioning."

The workshop ended with a speech by Marvin A. Kapp, Associate Executive Dean for Institutes and Community Colleges.

The committee for teaching improvement included James Kalbaugh, John Kusner, Michael Ornik and Joseph C. Beaver, Chairman.

There are no limitations on the

The theme chosen will be used in all posters and decorations. It will serve to unify the weekend and will make the affairs more fun for all.

Tech Hosts Alfred Choir

On Thursday and Friday, February 19 and 20, we will be hosts to 100 guests, 60 girls and 40 boys from Alfred Tech. The members of the Alfred Tech Choir will give a convocation Thursday afternoon at 2:00 in the gym under the direction of Mr. Anthony C. Cappadonna.

Following the convocation, the Alfred Tech Choir will rehearse with the Tech Tone Masters and our own college choir at 3:30 p.m. The members of both choirs will be served dinner in the cafeteria at five o'clock.

At 8:00 Thursday night the Alfred Choir will participate with the Tech Tone Masters and the College Choir in a winter concert. The concert will be open to the public for a small donation which will be used to pay for the dinner.

Some of the selections that will be sung by Alfred are "Selections from the Messiah," Handel and "Alleluia," Randall Thompson.

The Tech Tone Masters will sing such songs as "My Bonnie Lassie" and selections from South Pacific. These songs will be followed by the Choir's presentation of "Good News," a spiritual, and "O Bene Jesu" by Pallstrina.

A social hour is planned for after the concert so that Tech may entertain its guests. The members of Alfred's choir will be provided with overnight accommodations and breakfast by the Tech music groups and other students.

If anyone wishes to provide overnight facilities and breakfast for an Alfred student please fill in the below information and give to Bill Smith (Business Tech), put in student mailbox (S), or give to Mr. Greene.

1958

ALUMNI ASSOCIATION

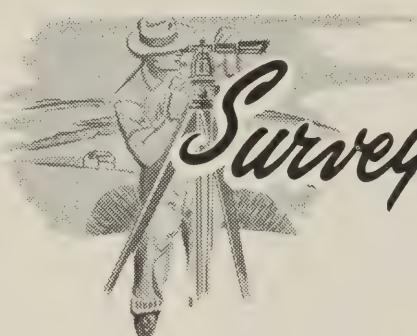

SEATED: President, Jack Kester '57. *STANDING:* Treasurer, Miss Judy Van Brunt '58; Vice-president, Arthur Zumbach '56; Secretary, Mrs. Anne Kucer '50.

The alums renew friendships at a dinner, business meeting and basketball game November 15, 1958.

ADVERTISERS

Surveying Your

FUTURE

G

On this day of days, as you stand before family and friends, you are wrapped in the warmth of pleasant memories that will live with you forevermore. You are wearing a discernible look of achievement. The pride of accomplishment is your own personal badge. And rightly so, for graduation is a monument among the milestones that will mark your journey through life.

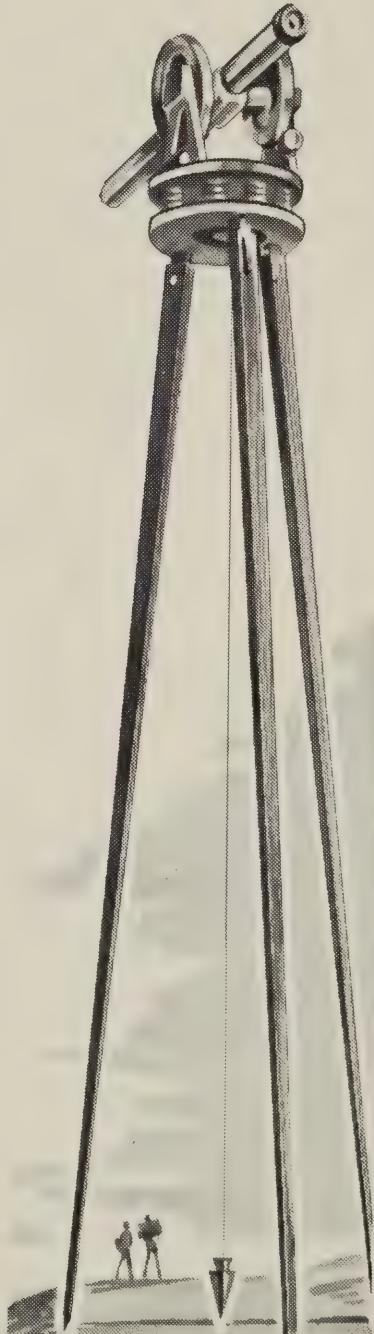

At this very moment you are looking at a long procession of days and nights that, seemingly, stretch out endlessly before you. They represent the raw material with which you will be working the rest of your life . . . but it is important that you do not spend too much time in the reviewing stand, watching the years pass swiftly by. March with the passing parade. Keep in step with the times, and prepare yourself at all times to take the lead whenever the opportunity arises.

Within the next few months, perhaps in a matter of weeks, you will begin to face some of the major decisions that have a dominant influence on everyone's role in life. Further education? Marriage? Choice of job opportunity and the community in which you will make your home? These are some of the major decisions which will have an important bearing on the future happiness and well-being of yourself and your family-to-be. It is well to plan wisely and proceed cautiously.

Graduation day—at the very beginning of the "big adventure", so to speak—is an especially opportune time to survey your future. This does not mean that you should merely look ahead, however, for the term "survey" has a much broader connotation. Thus, you should take a comprehensive view of the overall direction in which you are now headed. Carefully analyze all of the possibilities, and begin at once to shape your plans accordingly. Now is the time, because—to a surprisingly large degree—each individual is the architect of his own destiny.

Serving Business is Our Business

For more than forty years, a parade of constantly improved business machines has spread from the Southern Tier to every corner of the earth. More than a thousand different models, from time stamps to the newest electronic data processing machines, are produced here. Development and application of the products have paced business growth and met the increasing need for handling the vast amount of information required by modern management. All our developments are in the interests of better service, for service is itself an IBM product.
